

Song for Mother Earth

melody and lyrics:
Cécile Keller

We bring the Light of Hope to you, to you Mo-ther Earth. With this
light your daugh-ter may grow and bloom, your daugh-ter the New Earth.
To you Mo-ther Earth, to you Daugh-ter Earth, we bring the light in-to this time.

We bring the Light of Love to you, to you Mother Earth.
With this light your daughter may grow and bloom, your
daughter the New Earth.
To you Mother Earth, do you Daughter Earth, we bring the
light into this time.

We bring the Light of Healing to you, to you Mother Earth.
With this light your daughter may grow and bloom, your
daughter the New Earth.
To you Mother Earth, to you Daughter Earth, we bring the
light into this time.

We bring the Light of Actualization to you, to you Mother Earth.
With this light your daughter may grow and bloom, your
daughter the New Earth.
To you Mother Earth, to you Daughter Earth, we bring the
light into this time.
